Good afternoon Ingrid,

This firm represents W. R. Grace & Co. in the above-referenced litigation. Our client has forwarded us a copy of your correspondence regarding the waiver of service. We have taken the liberty of preparing a waiver of service using the federal form and we would ask for 60 days from today's date for W. R. Grace & Co. to move, answer or otherwise respond to the Complaint. This would put the deadline at July 23, 2021. If this is acceptable, please feel free to file the attached waiver of service. If you have any questions, please do not hesitate to call me.

Thank you,

--Ryan

## WAIVER OF THE SERVICE OF SUMMONS

To: Rune Kraft

*(Name of the plaintiff's attorney or unrepresented plaintiff)*

I have received your request to waive service of a summons in this action along with a copy of the complaint, two copies of this waiver form, and a prepaid means of returning one signed copy of the form to you.

I, or the entity I represent, agree to save the expense of serving a summons and complaint in this case.

I understand that I, or the entity I represent, will keep all defenses or objections to the lawsuit, the court's jurisdiction, and the venue of the action, but that I waive any objections to the absence of a summons or of service.

I also understand that I, or the entity I represent, must file and serve an answer or a motion under Rule 12 within 60 days from 05/24/2021, the date when this request was sent (or 90 days if it was sent outside the United States). If I fail to do so, a default judgment will be entered against me or the entity I represent.

## Duty to Avoid Unnecessary Expenses of Serving a Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain defendants to cooperate in saving unnecessary expenses of serving a summons and complaint. A defendant who is located in the United States and who fails to return a signed waiver of service requested by a plaintiff located in the United States will be required to pay the expenses of service, unless the defendant shows good cause for the failure.

"Good cause" does *not* include a belief that the lawsuit is groundless, or that it has been brought in an improper venue, or that the court has no jurisdiction over this matter or over the defendant or the defendant's property.

If the waiver is signed and returned, you can still make these and all other defenses and objections, but you cannot object to the absence of a summons or of service.

If you waive service, then you must, within the time specified on the waiver form, serve an answer or a motion under Rule 12 on the plaintiff and file a copy with the court. By signing and returning the waiver form, you are allowed more time to respond than if a summons had been served.
